

### **Action Taken Report (2013-2014)**

IQAC emphasised rapid development of infrastructure of the college. It planned to begin a new department, study centre and courses. Besides, it stressed the importance of decentralisation of certain duties pertaining to the smooth conduct of the academic as well as administrative affairs of the college. It also stressed carrying out extension activities. Construction of new academic and administrative building has been started. As per the plan, the college newly opened the Department of **Philosophy**. PG courses under KKHSOU and Dibrugarh University Distance Education have been started. Also, the college started D. EL. Ed course, and two certificate courses in **Mass Communication** and **Tourism Management**. The college also opened a few cells and committees. As per suggestions of the IQAC, a body named Majuli College Literary Forum, which was constituted in the previous year, started publishing a peer-reviewed journal with annual periodicity called **Bodhidroom** (ISSN 2321-4791) which has been providing a boost to the research ambience of the college. Coaching for Teachers Eligibility Test was conducted by the college with UGC grants. IQAC collaborated in organising a health camp at Bhekulimari, an adopted village of the college.

### **Action Taken Report (2014-2015)**

IQAC planned to provide a productive academic environment to students ensuring quality education along with their all round development. As both common rooms were small to accommodate a large number of students, some concrete sitting space was constructed around the trees on the college campus as a result of the initiative of the IQAC. This benefitted the students a lot. Many students performed extremely well not only in university examinations but also showed their talent in several co-curricular fields. IQAC collaborated with Department of Chemical Sciences, Tezpur University in organising a seminar entitled *Use of Chemical Fertilisers, Insecticides and Pesticides* on 6 September, 2014. IQAC organised a popular talk on *Bridal Songs and Their Influence on the Social Life of Assam* on September 14, delivered by Dr Anil Saikia, eminent academician and folklorist of Assam. IQAC assisted whole-heartedly in organising an **NSS Mega Camp** organised by Ministry of Youth Affairs, Govt of India in association with Dibrugarh University, Assam from 19-30 January, 2015 where teams of students from different states of India participated. It also collaborated with Teachers' Unit of the college in providing relief to the flood victims.

### **Action Taken Report (2015-2016)**

IQAC advised the authority concerned for putting up a water purification plant to provide pure drinking water to staff, teachers and students. This was successfully completed and was named as **Late Sarbeswar Dutta Memorial Drinking Water Project**, which is proving to be a great relief to the entire college community as this area is frequently ravaged by floods. Upon IQAC's constant boost, a few departments prepared their seminar proposals and sent them to the UGC for grant. Though some proposals were rejected, the department of Political Science organised a UGC-sponsored seminar entitled *Relevance of Gandhian Philosophy in the Present context* on 25 and 26 June, 2016 in which IQAC itself collaborated with the department. Besides, the IQAC was successful in organising successfully on March, 13, 2016 a **Poets' Meet** and a **Young Writers' Meet** called **Mulakat** in collaboration with **Sahitya Akademi, New Delhi** in which several Saitya Awardees participated and interacted with the gathering. It went a long way in boosting the literary spirit in the students. The IQAC held a **Digital Awareness Programme** from 25-30 April, 2016 for the teaching staff with a view to honing their skills in managing a smart class. From January, 2016 the IQAC started preparing the AQARs and the SSR for the 2<sup>nd</sup> cycle of assessment of the college by NAAC. IQAC collaborated with the college authority, Teachers' Unit in organising various meets in its adopted village called **Bhekulimari** which is situated at a distance of about 3 km from the college campus.

### **Action Taken Report (2016-2017)**

IQAC primarily tried to add a new dimension to the fertile atmosphere in the college for academic activities both for teachers and students. IQAC took initiative for construction of an internal garbage management system on the college campus and it was successfully completed. On request from the IQAC, some more cells/committees and Bodies were constituted in order to decentralise the smooth conduct the internal affairs of the college. IQAC organized a number of programmes that contributed to enhance quality education. The IQAC collaborated with the teachers' Unit, Women's Cell and NSS unit in organising awareness meetings and counselling meets and performing cleanliness drives in the adopted village of the college called Bhekulimari. It prevailed upon the college authority Besides, it remained engrossed, as usual, in preparing the AQARs and SSR to be sent to NAAC. IQAC assisted in organising a special lecture entitled *Importance of Ethics in Human Life* delivered by Mr Biren Baruah, Associate Professor of Dibru College, Assam; an awareness programme on Drug Abuse on September, 21, 2016. It collaborated with the Women's Cell in organising a special lecture entitled *Gender Discrimination in the 21<sup>st</sup> Century: Problems and Prospects* delivered by Mrs Binita Dutta, eminent academician and women activist, on 24 September, 2016. IQAC collaborated with Directorate of Tourism, Govt of Assam in organising a training programme titled *Tourist Guidance*

***Training to Students*** from 27 August to September 2, 2016. IQAC assisted the college authority in organising an interactive session for teachers with Hugh-Chu-Zcheng, Professor of New England University, Australia on October 25, 2016. IQAC organised an awareness programme on Extraction of Arsenic from Water October 14, 2016. IQAC collaborated with the local Community Health Centre in organising an ***Aids Awareness Programme*** in the college on 1<sup>st</sup> December, 2016, the World Aids Day.
